RELEASE/WAIVER OF LIABILITY: The guardian of student dog acknowledges and understands that he/she is allowing said dog to train at Fiona's Farm at his/her own risk. Fiona's Farm and it's owner, employees and contractors shall not be liable, and the guardian expressly releases and waives any claim of liability, for personal/bodily injury or damages, property damage, and or any other type of damage including injury to pet, or for any loss or injury to person or property of pet. This waiver/release is intended to be a complete release of any responsibility for personal injury or damage and/or property loss or damages sustained by guardian. Guardian also expressly agrees to hold harmless, defend and indemnify Fiona's Farm from any and all claims arising out of visits by said dog of guardian, including any and all claims by third parties for loss of, or injury, or damage to person or property and/or loss of or injury or damage to pet.

REFUNDS/CANCELLATIONS: Guardian understands that they will not receive a refund if their dog is dismissed from class due to aggression towards other dogs and/or people. Guardian also understands that they will not receive a refund (or partial) refund if their dog does not attend all classes in the session once it has started. If at any time, the trainer deems that a dog or handler is jeopardizing the safety of people or dogs in the class, the trainer may request that the dog be removed from the class.

I have read and understand Fiona's Farm Dog Training policies.
